Submitted to His Highness.

The course of studies in the Engineering section of the Chamarajendra Technical Institute, Mysore, and the scale of establishment thereof were revised by Government in their order No. 2224-6/ Edn. 238-11-9 dated 17th November 1915.

In April 1916, the Inspector General of Education recommended the increase of pay to the menial establishment also of this section at a cost of Rs. 48 per annum, but the proposal could not be sanctioned for want of provision in the budget for the purpose. The Inspector General was requested to repeat the proposal in December 1916 if the revision was absolutely necessary.

2. The Inspector General having again repeated his recommendation, the Council are in favour of sanctioning it.
